

# GLOBAL CHE NETWORK APPLICATION REFERENCE GUIDE

## How to Navigate the Application

### Introduction

This manual aims to define, understand, and communicate, providing references in the performance of specific tasks. Consider several **important** pieces of information needed to get started.

### Outcome

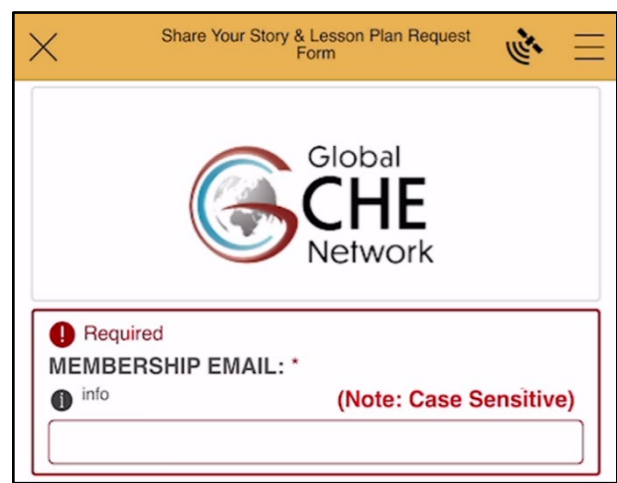

Upon completing this manual, users will learn their way around the application and become familiar with its interface enabling them to carry out tasks effectively and efficiently.

### Note: Helpful Indicators

Refer to the helpful indicators for additional clarification for what you are being asked.

### Important

- 1) The email address field is **case-sensitive** (view image directly below), and the words that are **bold** or **italicized**.
- 2) The **numbers, lines, and polygons** depicted in the images below are for navigational reference and are meant to be followed in **left to right** sequence if indicated.
- 3) For further reference, the **red asterisks\*** and small **information icons** positioned at various user prompts serve as the application's primary identifiers. They specify which fields are required and provide additional information about the prompt in question (view images directly below).
- 4) When you input your Global CHE Network member email address on your mobile device, **press the 'return' key** on the keypad to access your account (view image directly below).

# How to Access the 'Start Here' Page

**Steps 1-2:** Exit the Login

**Steps 3:** Access to 'Start Here'

**Note:** Form Directory  
This is the page where forms that have been drafted and saved can be retrieved, and managed.

## ← Continue

Return to the page titled "**Share Your Story & Lesson Plan Request.**"

## ← Drafts

Access to all incomplete forms, i.e., forms created while offline, in-progress forms started but closed due to manually exiting the app before saving, or connectivity issues.

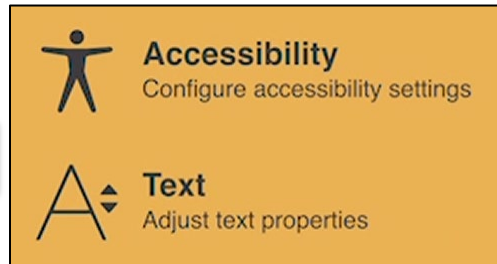

## ← Saved Forms (not sent)

All saved and unsent forms are accessible. These forms can still be edited.

## Configure Application Settings

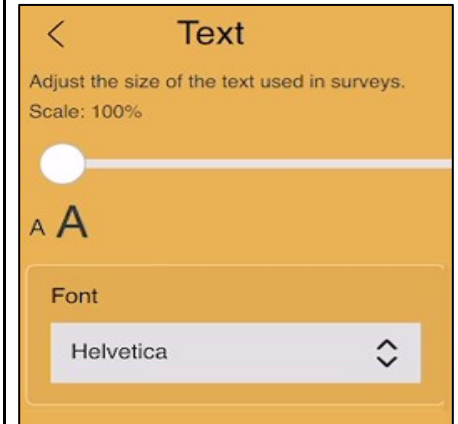

**Steps 1-2:** Navigate to Settings

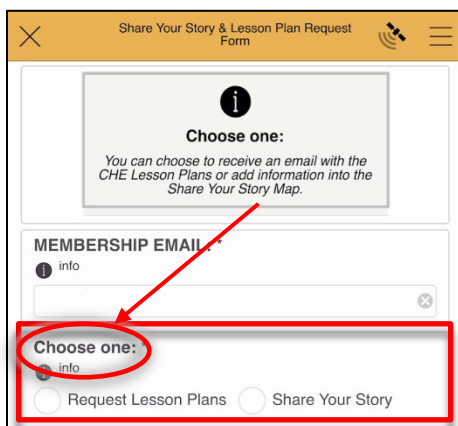

Begin by going to the **'Global CHE Network'** page, which is accessible via the **'Login'** page (See Steps 1-2 in the **'Start Here'** section).

Here, you can adjust the applications **'Accessibility'** and **'Text'** features to meet your preferences.

## Share Your Story & Lesson Plan Request

### Start

After logging in, you are given two options, but you can only select one at a time (select the *info* icons for more details).

### Request

This option provides access to nearly 100 CHE lesson plan documents. Request as many training documents you want and have them delivered to your inbox right away.

### Share

The goal of this section is for CHE network members to share their personal stories about international development and humanitarian projects taking place around the world with other members.
